

Conference Programme Schedule

(As at 10 March 2020)

	Time	TBA	Plenary Theatre	Banquet Hall	Conference Hall 1	Room 401/402	Room 403/404	Room 405	Room 406/407	Room 408/409	Room 410	
Monday, 17 August	0900 - 1030			Country Session 1 Japan	Teachers Workshop	Technical Session 1 Approach in Offshore Installation	Technical Session 2 Production Maintenance and Integrated Operations	Technical Session 3 Flow Assurance Research Advancement	Technical Session 4 Deepwater Technology	Technical Session 5 Drilling Efficiency		
	1030-1100	Coffee Break / ePoster Session 1										
	1100-1230		Country Session 2 Australia	Country Session 3 China	Teachers Workshop	Technical Session 6 Pipeline Design and Operation I	Technical Session 7 Recent Advancement in Reservoir Modelling Technique	Technical Session 8 Advancements in Laboratory Investigations: Chemical Flood	Technical Session 9 Cost Management by Hazard Mitigation	Technical Session 10 Formation Evaluation		
	1230 - 1400	Conference Luncheon										
	1400 - 1530	Opening Ceremony										
	1530 - 1600	Coffee Break / ePoster Session 2										
	1600 - 1730		Panel Session 1 New Frontiers in Gas Processing	Country Session 4 Thailand			Technical Session 11 Downstream Digital Operations	Technical Session 12 Asset Integrity Management	Technical Session 13 Numerical Modelling of Hydrodynamics	Technical Session 14 Geoscience/Geology	Technical Session 15 Drilling Data Analytics	
1730-1930	Welcome Reception											
Tuesday, 18 August	0900 - 1030		Panel Session 2 Digital Transformation: Overcoming Adoption Challenges	Panel Session 3 Climate Change: Are We Doing Enough?		Technical Session 16 Modern Stimulation Technologies for Productivity Improvement	Technical Session 17 Technical Integrity and Process Safety	Technical Session 18 Flow Assurance	Technical Session 19 Project and Risk Management	Technical Session 20 Drilling Optimisation	Technical Panel 1 Subsea Mining: Cutting Edge Subsea Mining Technology	
	1030 - 1100	Coffee Break / ePoster Session 3										
	1100 - 1230	Executive Plenary Creating a Sustainable Energy Future - The Next 50 Years										
	1230 - 1400	Distinguished Achievement Award Luncheon										
	1400 - 1530		Panel Session 4 FPSO Solutions for Oil & Gas Fields: What Lies Ahead	Country Session 5 Malaysia			Technical Session 21 Lean and Innovative Offshore Solutions	Technical Session 22 Modelling of Fractured and Complex Reservoir	Technical Session 23 HSE, Regulatory and Governance	Technical Session 24 Metocean and Geotechnical Design	Technical Session 25 Brownfield and Facilities	Technical Panel 2 Digital Well Solutions
	1530 - 1600	Coffee Break / ePoster Session 4										
1600 - 1730		Panel Session 5 Decommissioning: To Abandon, or Not To Abandon?	Panel Session 6 Talent and Capability Development: Closing the Gap			Technical Session 26 Upstream Digital Operations	Technical Session 27 Reservoir Characterisation	Technical Session 28 Materials Selection and Corrosion	Technical Session 29 EOR: Field Applications of Chemical Flooding	Technical Session 30 Managed Pressure Drilling		
Wednesday, 19 August	0900 - 1030		Panel Session 7 Deepwater	Country Session 6 Joint Development Area	The Next Wave a programme for young professionals	Technical Session 31 HPHT	Technical Session 32 Challenging the Limits in Well Completion and Construction	Technical Session 33 Floating and Riser Systems	Technical Session 34 Recent Field Applications in IOR/EGR/EOR	Technical Session 35 Alternative and Renewable Energy to Unlock Marginal Field Development		
	1030 - 1100	Coffee Break / ePoster Session 5										
	1100 - 1230		Panel Session 8 Navigating a Disruptive Business Landscape	Country Session 7 Canada	The Next Wave a programme for young professionals	Technical Session 36 Pipeline Design and Operation II	Technical Session 37 Advancements in Reservoir Surveillance and Monitoring	Technical Session 38 Field Application of Polymer, CO2 Flooding and Nano Injections	Technical Session 39 Geophysical Technology and Solutions: What's New?	Technical Session 40 Sand Management Technology Applications and Advancement		
	1230 - 1400	Topical Luncheons										
	1400 - 1530		Panel Session 9 Brownfield		The Next Wave a programme for young professionals	Technical Session 41 Pipeline and Structure Installation	Technical Session 42 Decommissioning and Abandonment	Technical Session 43 Subsea Production and Processing System	Technical Session 44 Characterisation and Modelling of Unconventional Resources	Technical Session 45 Drilling Fluids and Cementing Technology		
	1530-1600	Coffee Break / ePoster Session 6										
	1600-1730		Panel Session 10 Renewable and New Energy	Country Session 8 Indonesia	The Next Wave a programme for young professionals	Technical Session 46 High CO2and Contaminated Fields	Technical Session 47 Advanced Reservoir Characterisation	Technical Session 48 Advancements in Laboratory Investigations: Polymer Flooding/ Nano Injections	Technical Session 49 Novel Approaches and Emerging Technologies in Geoscience	Technical Session 50 Marginal Fields Development: Leapfrogging the Economic Hurdle		
1730-1900	Closing Session & Reception											

Opening/Executive Session
 Panel Session
 Country Session
 Technical Panel Session
 Technical Session
 Development Programme
