Asia’s premier offshore energy event

Founded in 1969, the Offshore Technology Conference (OTC) organises the world’s foremost events for the development of offshore resources in the fields of drilling, exploration, production, and environmental protection. The flagship OTC is held annually in Houston, Texas, U.S.A.

The biennial OTC Asia is where energy professionals meet to exchange ideas and opinions to advance the scientific and technical knowledge for offshore resources and environmental matters.

The first OTC Asia was held in 2014. OTC Asia’s vision and goal is to fulfil OTC’s mission to promote and further the advance of scientific and technical knowledge of offshore resources and environmental matters. Furthermore, OTC Asia aims to:

- Meet the demand for technical information to support the growth of the offshore oil and gas industry in Asia.
- Provide opportunities for industry professionals and their employers to share their applied technologies and best practices with other producing areas in the world.
- To create opportunities to institute and strengthen intersociety collaboration and cooperation with member societies based in Asia.

97.1% of attendees rated OTC Asia as good to excellent
93.1% of attendees would recommend OTC Asia to their colleagues
89.1% of attendees plan to participate in future OTC Asia events

How to Participate

To be considered for the OTC Asia Spotlight on New Technology Award programme, technology must meet the following criteria:

1. New – the technology must be less than two years old dating from the first time it was introduced to the marketplace or was advertised for sale.
2. Innovative – the technology must be original, ground-breaking, and capable of revolutionising the offshore E&P industry.
3. Proven – the technology must be proven, either through full-scale application or successful prototype testing.
4. Broad Interest – the technology must have broad interest and appeal for the industry.
5. Significant Impact – the technology must provide significant benefits beyond existing technologies.
6. Regional Impact – the technology must address an issue unique to the Asia Pacific region.

The Spotlight on New Technology Small Business Award recognises the innovative technologies being developed by small businesses (less than 300 employees). To be considered, your company must:

• Be independently owned and operated for a not-for-profit concern.
• Have no more than 300 employees for the preceding 12 months.
• Meet all other Spotlight on New Technology award programme requirements.

To learn more about this awards programme and how to submit an application, please visit http://2020.otcasia.org/ or email otcasia@otcnet.org.
